

Dear Residents,

Work will begin on February 19<sup>th</sup> to begin painting all buildings and carports community wide. The painting may take up to 6 months to complete. The following map shows where the painters will be starting and how they will be moving through the community.

Please refer to the instruction sheet sent by Emerald Community Management and which is also available in the social room and building lobbies in order to prepare for this project.

**For the success of the project, it is vital that all residents comply with the instructions.**
